Naphthalene Acetic Acid 0.075 g/L

Indole Acetic Acid 0.075 g/L

Vitamin B1 Thiamine 2.25 g/L

pH: 4.7 S.G: 0.98

## 20 L

HORMONAL STIMULANT

# AUXIN PLUS++

## Directions for Use:

Auxin Plus++ when used in conjunction with a good nutrition program is ideal for use in all turf establishment situations for enhancing root development, particularly where turf has been planted from scarification material. As a maintenance bio-stimulant product, Auxin Plus++ has a great fit, as it is very tank mix flexible and can be included with most Agchem or fertiliser product. The key when using the product is to continue to apply applications on a monthly basis.

## Application Details:

Situation	Rate/100m <sup>2</sup>	Rate/Ha	Water Volume	Comments
Golf Greens	100ml	10L	10L/100m <sup>2</sup>	Apply at 3-4 week intervals during the growing season.
Playing Fiels & Ovals	100ml	10L	1,000L/Ha	Apply at 3-4 week intervals during the growing season.
Bowling Greens	1.6L in 200L water per Bowling Green			Apply to a standard bowling green.
Landscape and Ornamentals		10ml per 10L of water		Dip or spray planting material with solution

## Mixing:

Fill spray vessel with half the required volume of water. Add required amount of Turfcare Auxin Plus++ to the spray tank while agitating. Add remaining water to the spray tank. Continue agitating during application. Wash out spray tank, including nozzles, immediately after use.

## Storage, handling & disposal:

Do not store below -5oC, as crystallisation may occur. Do not contaminate lakes, streams, dams or ponds by cleaning equipment or disposal of waste. Avoid contact with eyes and skin by wearing appropriate protective equipment, such as gloves, boots and safety goggles.

## First aid:

In case of contact with eyes or skin, flush at once with large amounts of water. If irritation persists, seek medical attention. If swallowed, drink large amounts of water and induce vomiting. Seek medical attention

## Condition of sale:

Turfcare shall not be liable for any loss, injury damage or death whether consequential or otherwise whatsoever, or howsoever arising whether through negligence or otherwise in connection with the sole, supply, use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Turfcare's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Turfcare Australia has any authority to add to or alter these conditions.
