**Guaranteed Minimum Analysis (W/V)**

Nitrogen (N) as Nitrate 11.2%

Calcium (Ca) as Nitrate 13 %

Manganese (Mg) as Nitrate 3.4 %

Boron (B) as borate 0.1 %

pH: 4.0-6.0 S.G: 1.48

**1000 | 200 | 20 L**

**RAPID SODIUM DISPLACEMENT**

# COMBO

## Directions for Use:

Introducing Combo, the versatile liquid fertiliser that can be used to combat sodium issues in your turf. As a soil drench, Combo helps flush out excess sodium, while as a foliar application, it helps address sodium-related issues within the plant. To apply, simply spray Combo on all types of turf grasses with sufficient water for optimal coverage. For best results, avoid application when the temperature exceeds 26 °C and do not mow for 24 hours afterward. Always follow up with immediate irrigation to ensure good soil penetration. If the soil is dry or the turf plant is under heat or drought stress, it is recommended to irrigate before and after application to achieve the best possible outcome. Keep your turf and plants looking their best with Combo.

## Application Details:

Situation	Rate/ 100m <sup>2</sup>	Rate/Ha	Water Volume	Comments
Soil Application	200 mL - 400 mL	20 L- 40 L	5-15 L/100 m <sup>2</sup> (500-1500L/ha)	Apply in a minimum of 500L of water per hectare and irrigate following application with 3-6mm of irrigation. Repeat every 14-30 days during the active growing season.
Foliar Application	100 mL - 200mL	10 L- 20 L	Minimum of 150 L	Apply in a minimum of 500L of water per hectare. Repeat every 14-30 days during the active growing season.
Landscape and Ornamentals	150mL	10 L		Repeat the application every 30 days or as required.

## Mixing:

Fill spray vessel with half the required volume of water. Add required amount of Turfcare Combo to the spray tank while agitating. Add remaining water to the spray tank. Continue agitating during application. Wash out spray tank, including nozzles, immediately after use.

## Storage, handling & disposal:

Do not store below -5oC, as crystallisation may occur. Do not contaminate lakes, streams, dams or ponds by cleaning equipment or disposal of waste. Avoid contact with eyes and skin by wearing appropriate protective equipment, such as gloves, boots and safety goggles.

## First aid:

In case of contact with eyes or skin, flush at once with large amounts of water. If irritation persists, seek medical attention. If swallowed, drink large amounts of water and induce vomiting. Seek medical attention

## Condition of sale:

Turfcare shall not be liable for any loss, injury damage or death whether consequential or otherwise whatsoever, or howsoever arising whether through negligence or otherwise in connection with the sole, supply, use or application of this product. The supply of this product is on the express condition that the purchaser does not rely on Turfcare's skill or judgement in purchasing or using the same and every person dealing with this product does so at his own risk absolutely. No representative of Turfcare Australia has any authority to add to or alter these conditions.
