

AQUEDUCT FLEX[®]

GRANULAR

HYDRATION

RAPID RELIEF. LASTING PREVENTION.

A fast acting, dual-action granular wetting agent that treats and helps prevent localised dry spot.

The
Aquatrols[®]
Company

Fast, flexible moisture management

Aqueduct Flex[®] Granular gives turf professionals two practical ways to manage moisture stress; apply at the treatment rate for rapid recovery or use monthly at the preventative rate to reduce the risk of localised dry spot developing.

Features and Benefits:

- Treatment Program provides rapid recovery of stressed turf with visible results in as little as 3 DAYS.
- Preventative Program provides up to 30-DAY PROTECTION against the development of localised dry spot when applied on a monthly basis.
- Safe to use on all turf varieties and areas.
- Safe to use on ornamental gardens, landscapes, trees and shrubs.

PACK SIZE 20KG

Before Aqueduct Flex

After Aqueduct Flex
